.. podcast yourself ..

Come celebrate Teen Tech Week, and learn all about podcasting!

Help us name our Podcast Studio!

We haven't a clue what to call the place, and since its all about you, we need your help!

Come up with the winning name (don't worry, we'll be taking your votes!) and you'll win a brand new iPod!

Submit your ideas to [jbreznican@lapl.org](mailto:jbreznican@lapl.org)

# A what-cast?

If you're scratching your head wondering what a podcast is, then you definitely need to come by the library! We'll tell you everything you ever needed or wanted to know about podcasting, show you how to find and download a podcast, and help you use the software and equipment in order to create your own podcast.

## Podcasting Skillz

Wondering what you'll do once you know how to podcast?

We can help you develop content or come up with ideas for your own podcast  
-OR-

Volunteer to help us out with the LFPL Teen Podcast! We need volunteers to help with news, book reviews, and much more!

For more information about volunteering please get in touch with Teen Services Librarian Jill Breznican.

Bring your iPod, and we'll help you get some podcasts to listen to!

## Schedule of Events

The Main Workshops will take place during Teen Tech Week, March 4-10. Workshops will take approximately an hour. Here are the four workshops offered:

### Podcast 101

General information about podcasts, including getting a podcast from the web onto your computer and iPod.

### Your Creative Genius

What good it is to know how to use the technology, if you haven't a clue what to say on air? We'll help you come up with ideas, and get you started on developing your program.

### App-titude Test

Introduction to a variety of applications used in podcasts, including software used for recording, uploading, and downloading. We'll also show you some sites to help you get more subscribers!

### The Goods

We're finally gonna show you what we're made of! We'll show you what equipment we have and teach you how to use it the right way!

## Other Important Stuff

- ◆ We need you and your parent/guardian to sign a few things before you can use the studio. Forms are available at the service desk.
- ◆ You have to take each of the four workshops before you can use the equipment. We need to make sure you know what you're doing! If you can't make it during TTW, we'll be offering them on a once-per-week basis. Check the calendar at [www.lapl.org/ya/calendar](http://www.lapl.org/ya/calendar)
- ◆ Since there's only one room, reservations need to be made in advance! You can check for free time slots online at [www.lapl.org/ya/studio](http://www.lapl.org/ya/studio)
- ◆ Time slots are allotted in one-hour increments, and you may not sign up for more than one a day.

We'll show you how to create a podcast with our brand new equip-
